Citizens Jubilant, But Soldiers Quiet When Armistice Was Signed

BY D. L. BUCHANAN
Europe today in war-
time Europe the Armistice was
signed. Hostilities in the
of all conflicts.
The news, spreading
in a sun-scorched prairie,
thousands into the streets.
It was cast to the winds
and old joined in the
celebration the city has
known.
A demonstration that pos-
sibly never be equalled.
The trenches in shell-
holes the news was given
a great reception. There
was no joyous out-
burst.
It was doubt, engen-
dered by false reports, or
of the tired fighters to
attend the announcement that
of a demonstration is a
conjecture. One thing is
the fighters were not ex-

THAT is the report brought
back to Marion by Major
George T. Geran, who commanded
Company D, 168th Infantry, Mar-
ion, during the greater part of the
war.
Major Geran, who was serving
as commanding officer of the Sec-
ond Battalion, the Armistice
was signed, today recalled the
manner in which the men in his
unit received the news.
When the men were informed
that the war was over they were
neither excited or disturbed, Major
Geran recalled. Many just noticed
their heads; others simply grunted.
It was not until nearly a week
later that Major Geran was wit-
nessed to the only demonstration put
on by units under his command.
And that was when his outfit was
moving into Germany as a part of
the army of occupation.

"ONE night as the troops were
marching toward Bonn after
hostilities had ceased the men

accidentally stumbled onto an
abandoned German ammunition
dump," Major Geran said. "In
this dump they found several car-
loads of 'very' pistols, used by the
German forces to shoot colored
rockets for signalling purposes.
The two battalions occupied
bluffs on both sides of a large
valley. Each man in the two out-
fits took as many of the rockets

and pistols as he could carry. Both
divisions lined up on the bluffs.
A signal was given and then
started one of the greatest fire-
works displays I have ever wit-
nessed. The country for miles
around was illuminated. From
both ridges streams of red, green,
blue and white fire rained into the
valley. This continued for hours

until the supply of rockets had
been exhausted.

MAJOR GERAN closed his nar-
rative by tracing the activities
of Company D during the war.
The company, made up of 150
Marion and Marion County men
and 100 others who joined the
outfit in camp, left Marion in the
command. Major Geran was then

serving in the rank of captain.

Selected with the Rainbow Di-
vision Company D sailed for
France on the transport, Mallory,
on Oct. 18, 1917. In the convoy
with the Mallory were four other
transports, escorted by a cruiser
and two destroyers.
Sailing from Hoboken the con-
voy first made Cuba. It then went
to the Canary Islands and after

14 days on the water, docked at
St. Nazaire, France, on Oct. 31,
1917.

After several months in training
camps, Company D, with other
units in the Rainbow division,
moved up into the Vosges Moun-
tains on Feb. 22, 1918. It occu-
pied two sectors in this district
until June 4 when it was shot over
to the Champagne sector where it
helped stem the last great German
offensive of July 14. Members of
Company D were in front of Chat-
ons during this drive and were
subjected to the heaviest fire.

Transferred to Chateau Thierry
the local company took part in the
great offensive in that sector
which began July 23, 1918. The
company remained there until Aug.
4.

It was in the Chateau Thierry of-
fensive that the majority of men
on Marion County's roll of honor

That Vahement Flame
World Money Lender
Farmers Need Canals
In Japan and Here

BY ARTHUR BRISBANE

WHEN the Bible says jealousy hath
kindled a vohement flame it doesn't
mean a little flame. Horrible testimony given by
the killing of Mrs. Mills.
The unfortunate woman after three
years had been fired into her head.
The tongue was cut out, and her throat
was cut. The tongue is supposed to
have been cut out because the woman's
tongue had charmed her clergyman
into a straight and narrow path.

THE horrible case will again remind
us that whoever stirs up jealousy
is a danger. They have been remind-
ed enough, for five hundred
years, by blows on the head
and sharp flints, by poison in the mid-
dle, by pistols later. But they never
learn.

WALL STREET is very proud of
having "supplanted London as the
money lender." This year the
United States will lend more than a
billion dollars in gold to for-
eign borrowers. In three years past
the United States has lent Europe four thousand
million dollars. Gratifying, of course,
when you will get that money
back.

LONDON as world money lender
has usually moderate, and al-
lowed rates of interest. Our
money lender money to Europe on a
basis that makes the borrower pay at
the rate of 13 per cent for the first
year, and 7 and 8 per cent there-
after.

THE user in many states loses
interest and interest. Some of
the American lenders will get un-
derstandably later when they ask
for their principal. Meanwhile it is
a profit for middlemen that get the
money.

ALL farmers and some congressmen
are wondering what "can be done
for the farmer." The farmer says
he wants a definite price for his
crop. Common sense says that invites
speculation, such as now breaks the
market.

Wheat \$1.40 farmers will in-
crease their average by fifteen per cent.
The wheat which would they plant
at \$2.10, which the farmers
ought to have? And where
the government get money to buy
wheat? \$2.10 wheat?

FARMERS can help their wheat sit-
uation by backing Secretary
Clegg for a canal to the gulf
from the Mississippi Valley and
from the Great Lakes to the
gulf.

Wheat will make every bushel of
wheat from six to 18 cents more.
Wheat from six to 18 cents more.
Wheat from six to 18 cents more.

Wheat will begin with something that
will do, and build the canals.
Wheat will begin with something that
will do, and build the canals.
Wheat will begin with something that
will do, and build the canals.

COOLIDGE SAYS U. S. ADHERENCE TO COURT DIM

Europe Must Accept Reserva-
tions or Abandon Hope of
Getting America in Body

SPEAKS IN KANSAS CITY

President Dedicates Memorial
and Raps Millionaires
"Made" by War

Kansas City, Mo., Nov. 11.—The
United States has crossed its last "T"
and dotted its last "I" insofar as the
World Court is concerned.

Europe must accept the reservations
of the United States Senate, strictly as
written or abandon all hope of Amer-
ican adherence to the World Court.

President Coolidge so declared today
in an Armistice Day message to the
world which he had come 1,400 miles
to deliver from the base of Amer-
ica's World War debt.

Although, as usual, the executive
made a plea for better world under-
standing and a lasting peace, a dis-
tinctly militant note ran through his
address.

"America First," was his text. He
warned against this nation against the
profligate charges which debtor Euro-
pe has bandied about. He took cog-
nizance of the possibility of future con-
flict and reiterated his endorsement of
universal conscription of manpower
and money alike in event of national
emergency.

He elaborated upon the nature and
strength of America's military estab-
lishment.

Directly challenging Europe on the
World Court controversy, the president
said:

"While the nations involved can not
yet be said to have made a final deter-
mination, and from most of them no
answer has been received, many of them
have indicated that they are unwilling
to concur in the conditions adopted by
the resolution of the senate—for Amer-
ican adherence."

Not to ask Modification
"While no final decision has been made
by our government until final answers
are received, the situation has been
sufficiently developed so that I feel war-
ranted in saying that I do not intend
to ask the senate to modify its position.
I do not believe the senate would take
favorable action on any such proposal."

SMALL STONE ON TRACK
DERAILS SECTION CAR

Five of Six Passengers Injured;
One in Delaware
Hospital

Ashley, Nov. 11.—Five or six local
men riding a motor car on the Big Four
railroad were injured this morning
when the wheels of the car hit a small
stone on the track and were derailed.
Two miles south of here, all passengers
except the uninjured man, Walter
Thompson, were thrown from the car
as it jolted over the ties.

The most seriously hurt of the group,
Herbert Burch, 40, was rushed to a hos-
pital at Delaware. He received a deep
cut in the side of his head. Last re-
ports from the hospital stated that he
was in a very critical condition.

The other injured men were attended
by Ashley physicians. For the most
part they received severe bruises and
scratches. Forman George Bolan was
suffered a broken arm. James Dennis
was knocked unconscious by the force
of his fall from the car. Guy Vining
suffered painful bruises.

HEARING ON "PEACHES"
ALIMONY SUIT ADJOURNED

White Plains, N. Y., Nov. 11.—
Hearing on the application of Mrs.
"Peaches" Browning for \$25,000 coun-
sel fees and \$4,000 monthly alimony,
pending trial of her suit for separa-
tion from her aged millionaire husband
today was adjourned until Monday by
Justice McCardus.

"Peaches" was in court with her
mother, Mrs. Caroline Heenan.
In the meantime, said the judge,
"Peaches," there are to be no more
new hats, new coats or new dresses."

EIGHT YEARS AFTER ARMISTICE—STILL IN HOSPITAL

With a mighty outburst of relief, the World War was ended eight years ago—armistice declared Nov. 11, 1918—but to the man pictured below there has been no armistice. He continues to battle pain. According to figures of the United States Veterans Bureau, more than 25,000 war veterans are being cared for in hospitals. There are altogether approximately 225,000 veterans receiving compensation for disabilities. All told, more than 700,000 applications for compensation have been filed. Top view: arrival of German armistice delegates within the French lines, and surrender of the German fleet, 1918; bot-

DELAWARE RD WILL BE OPEN FOR GRID TRAFFIC

State Highway Department
Makes Arrangements as
Convenience for Fans

Here is good news for the football
fans who plan to attend the O. S. U.-
Michigan game at Ohio State Stadium,
Saturday.

In order to provide the shortest and
most convenient route possible for the
thousands from here and points to the
north who will make the trip by auto,
the Marion-Columbus road passing the
site of the Harding Memorial will be
opened and placed in suitable condition
for traffic, local officials of the State
Highway Department announce.

The road has been in use for some
time but the section in front of the
Harding Memorial has been rough and
at times almost impassable. A tem-
porary driveway constructed at the side
being only wide enough for one-way
traffic. The main roadway will be
graded and leveled to accommodate
general traffic during travel to and
from the O. S. U.-Michigan game, ac-
cording to present plans.

While this arrangement is to be tem-
porary and construction work will be
resumed after this week, the road is to
be permanently opened in the near
future, it is stated. This will be done
as soon as weather conditions become
severe that the contractors find it
necessary to cease operations for the
winter.

ELOPEMENT HOPES
ARE SHATTERED

Girl Admits Holdup Was Fake
And Fiance Received
\$1,500 "Loot"

Alliance, Nov. 11.—With their hopes
of an elopement shattered, Lucille
Johnson, and Dwight Philadelpia, both
19, are in jail here today, the latter
being charged with grand larceny in
connection with a fake holdup which
yielded \$1,500.

The girl reported to police yesterday
that she had been waylaid on her way
to the bank with funds for her em-
ployer by two bandits who beat her
and stole the money.

When she was unable to exhibit any
bruises and other discrepancies in her
story were found, she confessed, po-
lice declare, that she turned the money
over at the request of her fiance, in
order that they might elope. The money
was found where Philadelpia is alleged
to have hidden it in a tree.

BRINGING "DRY" GUESTS

Columbus, Nov. 11.—State Prohibi-
tion Commissioner H. F. McDonald to-
day announced he is bringing here a
number of agents from all over the state
for Saturday, in view of the thousands
of visitors coming for the Ohio-Michigan
football game.

"Tireless Bud" Bradley is Tired, Weary as He Makes Test Report Early Today

Non-Stop Driver Avoids Garage as He Battles Attack of
Drowsiness; 110-Hour Schedule Now
More Than Half Completed

BY GILMORE HIEFT

At the end of two full days and three
nights of constant driving and with a
little more than half of 110-hour non-
stop attempt completed, "Tireless
Bud" Bradley reported at the Star of-
fice this morning with his permanent
smile wearing an undeniably tired
and worn face. His head rested on a
cushion and his hands gripped the steer-
ing wheel in a limp and listless fashion.
The hard grueling of the endurance
test was telling mightily.

Needless to say, the J. L. Price stock
advanced several points on the market
of local opinion. Some were inclined

to think that Price would be declared
the winner of the \$1,000 wager several
hours before the final day of the drive
was reached.

"Tireless Bud" was far from tick-
ed, however, and he went about his daily
duties with his usual business like man-
ner, which is likely to impress those
near him that driving an automobile
110 hours is something akin to attend-
ing prayer meeting on Thursday night.

The first man Bradley asked to see
was Dr. W. W. Doughty, chiropractor,
who was secured and gave the driving
man a treatment while the signs on the
Buick sedan were being rechecked at
the Marion Buick Co. garage, E. Center
st.

Dr. Doughty reported that he
found the muscles in Bradley's neck to
be in a manner of speaking, a "knot
of knots." Following the treatment
Bradley declared himself to be well
again and feeling much better.

While a painter worked on the signs,
the rear wheels of the Buick were raised
from the floor by a pair of jacks and
kept in constant revolution.

Bradley was exactly one hour late
in reporting at the Buick Co. due to

RED CROSS ROLL CALL
CAMPAIGN IS LAUNCHED

Fifty-Five Prominent Club
Women Start Drive in
Business Section

Fifty-five prominent club women of
Marion opened the Tenth Annual Roll
Call of the Marion County Chapter, Red
Cross, this morning.

The drive was begun in the business
district of the city and was in charge
of the Women's Federated Clubs of
Marion.

Operating on a new plan of mem-
bership subscription the workers left
supplies with the managers of the stores
and offices of the business district this
morning. They will return Tuesday,
Nov. 16, collect the money, sign the re-
ceipts and leave 100 per cent banners
with each store that holds a Red Cross
membership for this general.

Clifford B. Stoll, general roll call
chairman, was optimistic and predicted
that the business district drive of to-
day and Tuesday and the house-to-
house canvass of November 21 would
bring the required 10,000 membership.

If the quota for 1927 is not reached
one or more of the important branches
of the Red Cross must be cut-off and
the community will suffer accordingly,
the officials assert.

PEACE ABOARD TRAIN. LOIE FULLER LEAVES

Queen and Elderly Danseuse
Weep as They Part After
Storms

Aboard Queen Marie's Special Train,
in Nebraska, Nov. 11.—The smoke from
two weeks' sorrow faded lazily into a
fair Nebraska sky as Armistice Day
was celebrated aboard the special train
bearing Queen Marie of Roumania to
Kansas City today.

Queen Marie kissed Loie Fuller, el-
derly danseuse, and her friend, good-
bye. They both wept. It was the price of
peace. The special train bearing Madame
Fuller and her retinue, the center of
recent renewed turmoil aboard the royal
Roumanian train, was due in St. Louis
at 3:30 o'clock this afternoon. Madame
Fuller with May Hildebrand, her per-
sonal attendant, and Gabriel Illy, her secre-
tary, will then entrain to New York.

Madame Fuller left voluntarily. It
was one more sacrifice she made for the
love of Queen Marie. In the days when
tiny Roumania faced elimination by the
giant surrounding her, Madame Fuller
raised funds for the starving population
and brought the first Red Cross van to
the stricken throne, realizing the back-
wash of the disaster aboard since the
disposal of Sam Hill, Washington mili-
tairist, from the train added about
fourteen million dollars to the cost of the
war.

Madame Fuller accepted the invita-
tion of Colonel John H. Carroll, official
host to her majesty to step on a special
train to New York as his guest. Business
engagements in the east were given as
the direct cause of the parting.

The danseuse had protested vigor-
ously against the disposal of Sam Hill,
her friend, from the train at Seattle.

COAST GUARD FIGHTING
TO SAVE MEN IN BOAT

Milwaukee, Wis., Nov. 11.—Battling
mountainous seas, coast guards were
fighting their way to the rescue today
of three men aboard the 55-foot motor-
boat Osa Indeeze, of Racine, bound
from Benton Harbor to Milwaukee, re-
portedly 14 miles off the Mil-
waukee harbor.

While the lake steamer Misouri,
which stood by the Indeeze three hours,
succeeded in passing a line to the three
men, they were unable to make it fast.

SIT DATE FOR DERRY

French Lick Springs, Ind., Nov. 11.—
The Kentucky Derby, America's
greatest turf event for more than half
a century, will be run on Saturday,
May 14, 1927, at Churchill Downs, Ky.
This announcement was made here to-
day by Colonel Matt Wain, of the
Kentucky Jockey Club.

Ohio Joins With Nation Today in Tribute To Dead

Whole of America Becomes Motionless for Two Minutes in
Memory of Those Who Lost Their Lives During
World War Eight Years Ago

ARMISTICE DAY IS GENERALLY OBSERVED IN STATE

New York Ceases Throbbing Roar, While London, England, Sees
King and Queen Pay Homage
as Guns Boom Salutes

New York, Nov. 11.—At 11 o'clock this morning,
the American nation became motionless for two min-
utes, as if under a spell, in memory of those who lost
their lives in the World War.

It was the most impressive moment of Armistice
Day. A sudden hush covered the country. Street cars,
subways, elevators, everything stopped. Office work-
ers remained motionless. The nation held its breath.
In newspaper and telegraph offices, the clattering in-
struments ceased as the power was shut off.

For two minutes, the silence lasted and then with a
rush everything went on again as before.

OHIO paused in her daily toil today, bowed her head in
tribute to the heroes of the World War—the boys who
went "over there" and did not return; to those who did
come back—and celebrated hilariously, too.

The observance of the eighth Armistice Day was gen-
eral throughout the state. Schools, fraternal societies,
American Legion posts, civic bodies and other organizations
observed with appropriate programs. Many cities held gen-
eral observances with parades, mass-meetings, flag raisings
and in some instances football games and other sports.

At the statehouse in Columbus, all
capital attaches stopped work for a
few moments at the hour when firing
ceased in France eight years ago. Gov-
ernor Denney himself bowed his head
in a moment of prayer.

The chief executive reviewed a
parade of national guardsmen, regular
army troops, legionnaires and other mili-
tary organizations in the afternoon. All
city schools were dismissed for the day.
Ohio State University dismissed
classes from 10 a. m. to noon. In the

LAST OF 13 CONVICTS
WHO ESCAPED CAPTURED

Glaspie Back in Penitentiary
After 55 Hours of Freedom
and Glad

Columbus, Nov. 11.—Olive Glaspie,
sentenced to serve three to 20 years
for criminal attack upon an Athens
County girl, was back within the walls
of the Ohio State Penitentiary today
after 55 hours of bounded freedom, and,
according to Warden P. E. Thomas,
"mightily glad to be back home."

Glaspie was the last of the 13 con-
victs who shot their way to freedom
Monday afternoon to be recaptured. He
was taken into custody last night at
Grovesport, near here, by Troop Master
Lawrence Cox and Mayor Frank
Powell.

Glaspie was seen loitering around the
railroad depot, confused and listless.
Earlier in the day, a farmer living near
by had reported a "stray" begging for
food. Albert Glaspie, a steel worker, re-
ported yesterday morning he had found
a man asleep in his auto. Glaspie ad-
mitted today it was he who was around
the neighborhood all day.

Glaspie, according to Thomas, said he
was "hungry and cold and had no
where to go."

He first said he was from Baltimore,
when questioned by Mayor Powell, but
later admitted his identity. He spent
the night in solitary confinement in the
prison.

Simultaneously with this ceremony,
factory whistles and church bells
throughout the city heralded the tid-
ings that Marion was launching its an-
niversary tribute to the boys who served
their country and the cause of dem-
ocracy in the great world conflict.

LOYALTY TO CHRIST AND COUNTRY NEED, CLAIM

Evangelist Vom Bruch Delivers
Sermon at Calvary Evan-
gelical Church

"Loyalty to our Country and Christ
is our greatest need today," was the
theme of a sermon on the subject "The

Kind of a Revival We Need" by Harry
W. Vom Bruch, evangelist, at Calvary
Evangelical Church last night.

Too many church members are vi-
olating convictions and breaking vows
with God today, we need a revival of
love, loyalty and allegiance," he said.

"Doubt, denial and discord are the
hindrances of God's work today," he
declared, "too many persons write off
their achievements in past history. If
there ever was a time when we lived on
a higher ground than now, we are back-
sliders. A neglected Bible means a ne-
glected God, we will never have a revival
in the lives of sinners until we have it
in the lives of the un saved," he con-
cluded.

The song service was in charge of
Harry D. Clarke of Canfield, Wales and
Miss Bessie Dixon Lees, pianist, who
accompanied Rev. Vom Bruch. Mr. Clarke
sang a special number, "The Sinner and
the Saviour."

Rev. Vom Bruch's sermon tonight
will be on the subject "God's Challenge
to the Calvary Church." Mrs. Clarke
conducts a children's prayer meeting
at 4 p. m. each day at the church. A
union hour of prayer will be held at
9:30 a. m. Friday in charge of Rev.
Vom Bruch.

Ready for You—at the
Richman Store!

You will like it immensely,
for it is a beautiful garment.

Its style is correct, in keeping
with fashion and good taste.

Its all wool materials were
woven by one of the finest
mills in the country.

The tailoring is perfection
and the price is but \$22.50.

There is of course a reason for this fine
quality at this low price. You will find
the reason in the great Richman factory at
1600 East 55th St., Cleveland, where 1500
employees, most of whom own stock in this
Company and share in the profits of their
own good work, are busy the year round
making Richman's Clothes. Our immense
resources plus our volume production per-
mit many savings in manufacturing costs.
In addition, Richman's Clothes are sold
through our own stores—direct from our
factory to you—saving all "in-between"
profits and making them the greatest cloth-
ing value you can possibly find.

All \$22⁵⁰

Richman's Clothes are all one price—
\$22.50 for the UNRESTRICTED CHOICE
of any Richman suit, topcoat, overcoat or
3-piece tuxedo suit including a silk dress
vest.

LOCAL FREIGHT ON INCREASE AS MERCURY DROPS

Shows Summer Traffic
Average Through
Marion

As a result of colder weather,
freight is on the increase, a sur-

vey of local freight houses revealed today.

Local freight during the summer months has been as heavy, if not heavier, than usual for similar months during the last few years. At no time during the summer did the freight show a big decrease.

As colder weather arrives and local stores and shops settle down for the winter months, a business pick up is seen and an increase in shipments of local freight is the result.

The four railroads operating through Marion reach in all directions and shipments from many localities to Marion may be made direct without a change of cars or railroads.

It is expected that Marion freight houses will experience one of the best

seasons of the last few years, during the coming months.

Water Tank Plans

The new Packard Valley steel water tank at McDefontaine has not yet been placed in service. It was said today, but plans are being made to turn the water into the new structure next week. Water will be carried from the Garden City wells to the new tank through a two-mile water line, recently installed.

Football Specials

It has not yet been decided how many special trains will be operated over the Packard Valley from Ann Arbor, Mich., Detroit, Toledo, and other points north to Columbus, Saturday to accommodate the many football fans who are expected to attend the Ohio State-Michigan grid clash in Ohio stadium on that day.

The specials, however many in number, will be operated over the Packard Valley and switched onto the private line of Ohio State University, carrying the fans within a few yards of the north door of the stadium.

The number of special trains will depend upon the number of cars carried by each train and the number of persons making use of the railway for transportation.

Friday Pay Day

Friday is pay day for employees of the Packard Valley Railroad, who will receive their pay for the last part of October, according to bulletins posted in local Hocking Valley offices today.

Named N. Y. C. Head

R. B. White, of New York City, who entered railroad service at the age of 16, has been appointed president of the New York Central Railroad Co. It was announced today in local offices. Mr. White succeeds William G. Bester as head of the company.

Unprecedented freight traffic continues to be handled by the railroads of this country.

Loadings of revenue freight for the week ended Oct. 23 totaled 1,200,043 cars, according to reports just filed by the carriers with the Car Service Division of the American Railway Association.

This was a decrease of only 1,120 cars under the preceding week this year and was an increase of almost 50,000 cars over the corresponding week of last year.

SHOE ARGUMENT

Mothers and daughters continue to disagree about shoes. Height of heels is not the only issue. The budding vanity of the growing girl whose feet always seem to grow faster than any other part of her body tempts her to wear a size too small. Shoes should not be so large that the foot slips around, neither should they be so small that the foot cannot develop.

And then Grandma Danced

"We were quite alarmed about mother. She wouldn't eat, was terribly constipated, bilious, and seemed to be fading fast. We thought it due entirely to her 86 years of age. But a neighbor brought over a bottle of Dr. Caldwell's Syrup Pepsin and it was really remarkable how she picked right up, and now she can even dance around with her grandchildren. Now we are never without Syrup Pepsin in the house." (Name and address furnished upon request.)

Regulates Bowels of Old Folks

Dr. Caldwell's Syrup Pepsin is so palatable, sets so well in the stomach, works so easily, so gently, so kindly with old folks as to accomplish its purpose without gripe, pain or other distress. For biliousness, sour stomach, coated tongue, constipation, and the lassitude, whether of children, parents or those in the evening of life, Syrup Pepsin is recommended everywhere. It is sold by all druggists.

How much of this waste are YOU taxed for?

THIS year American motorists will pay over \$420,000,000 to correct the damage done by carbon.

How much of this national waste are you taxed for? What is your share of this unnecessary expense?

Willys-Knight owners are singularly free from this motoring evil. With no valves to grind... no carbon to remove... their upkeep cost is cut practically in half. And thousands of miles of trouble-free service are added to the life of their cars.

And now—Belflex Shackles—still another new and exclusive Willys-Knight Great Six feature—a tremendous engineering advance over the unsatisfactory

and noisy metal shackle of other cars. Belflex guards against all chassis rattles and squeaks. It deadens road vibration, eliminates all need for shackle lubrication...

Belflex provides that the sprung parts of the car are insulated from the unsprung parts with noiseless, flexible fabric—shock-absorbing, rubberized—thereby affording permanent chassis silence and diminishing wear at every point of the car.

Willys-Knight Great Six prices from \$1750 to \$2295. New "70" Willys-Knight Six, companion car to the Willys-Knight Great Six, from \$1295 to \$1525. Prices f. o. b. factory and specifications subject to change without notice... The Willys Finance Plan offers unusually attractive credit terms... PARENTS CLAIM BUT ONE DOCTOR EXAMINED CHILD

Claridon School Case To Be Carried into Higher Court

Mr. and Mrs. Clay Parr of near Claridon, defendants in legal action brought by C. B. Rayburn, superintendent of Marion County Schools, to require them to send their seven-year-old daughter to school, and who are preparing to ask for a hearing in the Court of Common Pleas, claim that newspaper reports of the proceedings have been incorrect in some details.

The case was heard last week before Justice of the Peace R. B. Bell at Claridon, who decided against Mr. and Mrs. Parr and ordered them to put up \$100 to guarantee their child's attendance at school.

The parents maintain that only one of four physicians who testified at the trial had submitted the girl to a thorough examination and he issued a certificate recommending that she be granted exemption from school attendance. A fifth physician, Mr. and Mrs. Parr state, examined the child's eyes, but was not called to testify in the trial.

On the basis of information received from the physicians, Superintendent Rayburn refused to grant the child attendance exemption and when they ignored his order an affidavit was filed in Justice Bell's court charging them with violating the state school law.

Mr. and Mrs. Parr state that they made an effort to comply with Mr. Rayburn's order but that after sending the girl to school at Claridon for several days they found she was physically unfit and then decided to keep her at home.

A transcript of the proceedings in Justice Bell's court is now being prepared and will be filed within a few days in the Court of Common Pleas, attorneys for Mr. and Mrs. Parr state. The case is being carried to the County Court on the basis of alleged errors in the hearing before Justice Bell.

THE SPIRIT OF ARMISTICE DAY

In Flanders fields the poppies blow
Between the crosses, row on row;
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard above their sodden low.

We are the Dead—
We know no dawn
We have fallen—
We are the Dead—
We know no dawn

Take up our arms—
To you with failing hands we throw
The torch; be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

"VINCO" IS BEST FOR THE BOWELS

Millions of Boxes Sold Without Advertising. Druggists Amazed at Quick Success

True merit is the only explanation of the fact that "VINCO" Herb Tablets have so quickly become a big national seller without advertising.

If constipated, bilious, or you suffer from sour, gassy stomach, feel irritable, have no energy and hate to get up in the morning, try all means, try simple, sensible "VINCO." Get a 25c box of your druggist. "Take a tablet tonight! Feel fine tomorrow! Do a double day's work! Keep feeling and looking young! Not a drop of dope in "VINCO" Herb Tablets. Made of herbs, roots and bark—a pleasant, chocolate coated tablet. No gripping—no nausea. Acts gently but thoroughly—relieves the cause—always effective. "VINCO" relieves where ordinary laxatives fail.

Ask your druggist about "VINCO." He knows. Lay aside nasty salts, dangerous cathartics and harsh physics. Use only "VINCO" to regulate the bowels. Do a kindness by telling others about "VINCO." They, too, will appreciate the difference between harsh physics and gentle, harmless "VINCO" Herb Tablets.—Adv.

CHILDREN'S WEAR STORE OPENS FRIDAY

Hammer & Sterritt Firm Announces Plans For Formal Observance

Formal opening of the Hammer & Sterritt Infants and Children's Store, 229 W. Center-st., will be held Friday night between the hours of 7:30 and 9:30 p. m. was announced today. Miss Ruth English will entertain with a program of happy numbers and several vocal selections will be presented during the opening hours. Children visiting the opening will be given souvenirs. Proprietors of the store, Mrs. Jess Hammer and Mrs. Pearl Sterritt, both six years of age and their wards include everything in wearing apparel and gift lines.

Both proprietors are splendidly qualified to carry on the work in the new store, having had several years experience. Mrs. Hammer acted as a buyer in the infants' wear department of the Under-Phillips Co. Store for 10 years and for the past year Mrs. Sterritt has served in this capacity. Mrs. Sterritt also has been in charge of this department in the Maxwell Store at Mansfield. The new store is attractively finished in gray and black and shades in keeping with nursery themes, adorn the

"CASCARETS" KEEP BOWELS REGULAR AND STOP COLIC

No more stomach trouble, no more colic, no more constipation.

Get a box of Cascarets.

Give them a try. You will find them in the lead or any part of the body, and quickly overcome by acting on the bowels and keeping the system free of poison. Take Cascarets tonight and you will wake up with a clear head and no doubt you will wonder what became of your cold, Cascarets work while you sleep; they cleanse and regulate the stomach, remove the sour, undigested food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember the quickest way to get rid of colds is one or two Cascarets at night to cleanse the system. Get a 10-cent box at any drug store. Don't forget the children. They relish this Candy Cathartic and it is often all that is needed to drive a cold from their little systems. Adv.

Keep Hair Tidy Keep It Curly

By Wallace Hopper

Summer and winter hair is ever curly. It is curly, but flat. It has a glow. Yet I never visit a hairdresser, never have a Marcel wave. Those results are due to a hair dress which great experts made especially for me. I apply it twice a week. It doubles the beauty of my hair in an hour. And that wave and sheen remain. Now you can obtain the same product. All toilet counters supply it as Edna Wallace Hopper's Wave and Sheen. The price is 50c. My guarantee comes with each bottle, so you take no risk.

This is a delight—one of the best things I ever found for women, especially those with bobbed hair. Go try it now.

COLORED MEN PLEAD GUILTY, HELD TO JURY

Both Bound Over Under \$1,000
Bond on Concealed Weapon
Charge

Henry Bryant, 32, and Earl McMiller, 40, negroes arrested here Tuesday night after Solomon Hering, 39, had informed local police that the two men had covered him with revolvers and held him up on a Hocking Valley freight train at Delaware, pleaded guilty when arraigned before Mayor Earl M. Haxon.

on a charge of carrying concealed weapons this morning and were bound over to the grand jury. Being unable to furnish a bond of \$1,000 each, the men were placed in the county jail.

Bryant and McMiller are reported to have been involved in a series of hold-ups and robberies occurring along the route of the Hocking Valley Railway between Toledo and Columbus during the past few months, and police also believe they may have figured in one or more robberies in the same vicinity where victims of the shootings suffered serious injuries. The two suspects deny all charges of this kind, however, and are held in jail at this time it was decided to try them on the charge of carrying concealed weapons while a thorough investigation is made. Victims of several hold-ups and robberies will be summoned in an effort to establish identification.

Should authorities be unable to prove that Bryant and McMiller are the two negroes who staged the robberies, it will be possible to send them to the penitentiary on the charge of carrying concealed weapons.

Heavily Armed

When arrested at the South side of the Hocking river, Tuesday night, Bryant was found to be armed with two loaded revolvers, one of 44 caliber and the other 32 caliber, while McMiller was in possession of a 32 caliber gun.

Police attach special significance to the finding of a letter in McMiller's pocket written to him by Tom Davis, a negro who is in jail at Upper Sandusky charged with being implicated in a bank robbery at Carey recently. On a slip of paper found on McMiller had

PRIME MINISTER COMES TO LONDON

General J. B. Hertzog, South African Prime Minister, snapped as he arrives in London to attend British Imperial Conference.

been written the name and address of Charles H. Herring, Galt Hotel, Carey. This name and address found on papers on the possession of McMiller and Bryant will be the basis of police investigation. Carey, it is believed, was the center of activities of the negro robbers who have been operating along the Hocking Valley during the last few months.

Change Stories

Bryant, who informed police that he came originally from Paducah, Ky., stated Wednesday that his home recently has been in Columbus, McMiller, who gave his name first as McMiller and then as McWilliams, and his place of residence as Omaha, Neb., finally said that his home during the last year has been in Toledo and that he found in his pocket a letter to substantiate this statement.

Both men admitted having served sentences in the Columbus workhouse for illegal possession of liquor when questioned by police Wednesday. McMiller also said that he had served a term in the Federal penitentiary at Ft. Leavenworth, Kan., for deserting the military service while with the U. S. Army in France during the World War.

Witness Summoned

Frank Nett of 108 E. Russell-st., Columbus, a Hocking Valley employee who was held up and robbed of \$32 by two negroes at Carey, Sunday night, is expected to be an important aid in investigation of the case. He has been requested to come here for the purpose of seeing whether Bryant and McMiller resemble the men who robbed him. Descriptions of Bryant and McMiller tally almost exactly with that of the pair of negroes involved in all of the Hocking Valley robberies, police say.

McMiller informed police that he had obtained the revolver found in his possession through winning a crap game. Bryant offered no explanation for being armed with two guns.

Hering, the negro who reported that Bryant and McMiller had held him up only to find that he was penniless, and whose story resulted in their arrest, has been released from the county jail, where he was held for a time as a material witness. Due to the fact that the guns found on the two men provide sufficient evidence to sustain the charge filed against them, Hering's testimony was not regarded as essential.

Bryant and McMiller were arrested at the South restaurant on Hocking-st. in the West Side negro settlement, about 9:30 Tuesday night by Sheriff James A. Deal, Police Captain J. S. Moody and Patrolman Harry Smith.

ARMISTICE DAY IS MARKED BY BURIAL OF DEAD

La Plata, Md., Suspends Business as Entire Populace
Lays Children in Graves

La Plata, Md., Nov. 11—Telling church bells resounded through this Maryland village today as on another Armistice Day.

Eight years ago, the bells pealed out a joyous invitation to the populace to gather in the square and celebrate the escape of La Plata's sons from the horrors of a great war. Today those same bells tolled a summons to stricken fathers and mothers to come to the churches and there conduct the last rites over the little victims of nature's more relentless war.

Funeral services were conducted today for eight of the children who lost their lives when a freakish tornado whirled out of a sunny sky Wednesday and demolished a little frame schoolhouse. Others will be buried later. In Washington hospitals, thirty miles away, lie more than a score of others, crippled and broken from the sudden, awful fury of the hurricane.

Three of the little victims were buried from the Episcopal Church in Mt. Rest Cemetery.

Five others, and one adult, were sent to their last resting places from the Catholic Church and interred in consecrated ground.

Business was halted while the entire populace gathered at the two churches. It was Armistice Day in reality for this community today. Evergreens were heaped high, wreaths of flowers and bays and bayberries, reminiscent of a battlefield.

Revised list of the dead today showed the number at 16, which probably will be increased to 20, for more than a score of other children lie in hospitals, some seriously wounded.

Bradley Relates Building of Non-Stop Organization for 110-Hour Constant Driving Attempt in Interview

By GILMORE HETT
When a man bets \$10,000 that he can drive an automobile 110 hours without stopping to sleep or rest, the general opinion is that the world has a new variety of peacemaker. Reporters immediately flock to him, and he is usually about seeking an interview with "Bud" Bradley. In this case, it is a man who thinks that a habit instead of a habit is a habit truly is the reason for this drama. The single for this drama is the Buick sedan, which has been elected to the "110

hours or bust" job and the curtain rises at a time when less than 50 hours of the 110 has been consumed and Bud is doing his work in an expert fashion.

After establishing friendly relations with "Diggs," that's the bulldog, said reporter is ready to start operations, with the situation decidedly in his favor, inasmuch as Bradley is securely handcuffed to the steering wheel. Here goes:

"Mr. Bradley, I want the straight dope on this 110-hour non-stop drive attempt."

"Very well."

"Tell me about the organization you have built up, those who are cooperating, your plans if successful or if unsuccessful."

"We'll start at the first. The very first thing that happened was the argument with J. L. Price, then the placing of the wager. The announcement in the paper aroused the interest of many business concerns and their representatives came to me or Price and offered this or that, to help make a big thing out of the test. It grew so rapidly that I could hardly keep up."

"The Star office was the first to come in and Raymond Fletcher, the advertising manager helped me in making all arrangements."

"Price's part of the written wager contract was to furnish the best available car and to equip it as I desired. He selected a Standard Six Buick Sedan and there is no small story in the equipment that I ordered."

"I asked for an Eride Battery and one was procured from Walsh and Shoup, Goodyear Balloon Tires were furnished by Mapes Rubber Store, Standard Auto Parts installed all the accessories including the spotlight and the heater."

"Photographer Pontius of the Pontius Studio was interested in the attempted wager and was even on hand the day the contract was signed. He has snapped my picture at every turn since."

"I especially requested fuel supplies for the car sold by the Roxanna Petroleum Co. and arrangements were made with the local management for me to replenish the supplies in the car in a number of stations in the city and in surrounding towns."

"Ed. Sharpless, manager of the Grand Theatre left word for me at the Marion Buick Co. last Saturday for me to call at his office. I was with Fletcher of the Star, when I went to see him. When he saw who I was with, he laid a 'six-shooter' and a pair of handcuffs on the table, before he would talk to us. You know he wants me to go on the stage with the vaudeville acts, Saturday night if I am successful."

"For food during the drive, I asked for quantities of fresh milk and good candy. The Jersey Dairy Farm and Lust Candy Co. seemed anxious to supply these and I have found their products to be excellent. The candy I am eating is Lust's 'Mummy Bar' and 'Tyrone' chocolate."

"I love to smoke and have been given more tobacco than I could use in the time allotted from Benner-Hudson. The Anthony Laundry notified me that they would furnish me with towels and take care of drycleaning the uniforms. G. Rosenberg & Son sent me over a new pair of shoes the evening the drive started. Lawler's Insurance Agency got Price and I together and fixed up an insurance contract on the car. It came in handy when we had the wreck. Tuesday morning, Spaulding Bros. are furnishing this wrist watch to keep the official time. Turoff's Restaurant insisted that I come there during my training period and prepared special dishes for my last meal before starting."

Suffering from an acute attack

of "writer's cramp," the reporter asked for rest with this question: "How are you feeling?" No note he was off again, faster than before.

"Just one, I was bothered with a headache last evening and took a treatment from Dr. W. W. Donahue, the chiropractor. Now back to the other part of the story, the Van Der Radio Co. got on the trail as soon as the word about the drive spread and asked permission to install a broadcasting apparatus in the car to demonstrate its Long Travel Speaker. We snatched the first one installed in the week but it has since been replaced and is helping to attract the crowds in every town."

"You wanted to know the plans for the Buick, successful or unsuccessful. We will take the last named first. In event I collapse, a pump where Price and I agree to meet, Schaffner's ambulance will be called in to the scene and I leave me to the office of the Marion Buick Co. where I will be put in a Stinson's bed from the Schaffner Plantation. Now in its new location, Car Church and Motors. In successful I will finish the drive and will drive the sedan up two planes onto the top of a large motor truck from the Merchants' Transfer dock. I will then be removed to the Buick Co. in the ambulance and believe me, I won't mind that ride a bit."

What Are You Doing for Your Puny Child?

One Has Gained 11 Pounds in 7 Weeks and Is Now Strong and Healthy.

On a trail, under-developed child, especially those that have used a sure builder that promotes the growth of teeth and bones.

McCoy's O.D. is the one medicine cure for a child like it.

It is a messy and repulsive and evil-smelling and nearly always upsets children's stomachs—so now up-to-date mothers advise McCoy's Cod Liver Oil Tablets.

They are as easy to take as they do candy, and your child has gained 11½ pounds in seven weeks, and is now healthy and strong—thousands of other children have done the same.

McCoy's O.D. costs 60 cents at Bradley's Drug Store, Henney & Cooper and all druggists, but be sure and insist on getting the original and genuine.

It is a boon to the sickly, frail child, to his mother and if they don't help—consequently, your druggist is authorized to refund you back the money you paid for them.—Adm.

72 Hours Continuous Driving But Not A Complaint From BUD!

"Tireless Bud" Bradley and J. L. Price caught by the cameraman as "Bud" signs contract for 110-hour non-stop auto drive here this week with \$1,000 forfeit.

Tonight at 9:30 Bud Bradley will reach the record mark of 72 hours continuous driving without ever stopping to eat, sleep or rest. But he still has 28 hours to go. Can he stand such a strain? Wait and see.

Bud's Buick Standard Sedan To Be Sold To The Highest Bidder!

Bud's Standard Sedan, which carries a new car guarantee, equipped with new tires and in perfect condition after a run of 110 hours at an average rate of speed, driven by an experienced driver, will be sold to the highest bidder. Fill out the coupon shown below. Mail it or deposit it in box provided at our sales-rooms. All offers must be in writing and in our office by 8 p. m. Saturday, November 20, at which time all bids will be opened. The Sedan will be ready to deliver to the successful bidder at 10 a. m. Monday, November 22, with standard warranty and regular service. This car, as equipped, delivers regularly at \$1520 F. O. B. Marion.

What Bradley Thinks of the Buick

After 72 hours of continuous driving Bud states that the Buick Sedan is running like a watch and is improving every mile.

It operates and handles so easily that it is no strain on one to drive it for hours.

Bud also says that it would be best if all new automobile motors could be broke in under the same condition as the Buick Sedan, namely—even driving speed and even motor temperature.

Bud knows Buick value. He drove a Buick 55,000 miles last year. He has owned five Buicks personally.

Ask for "Epsom Salts" which costs only a few cents a package at any drugstore. Even children gladly take this wonderful discovery of The American Epsom Salt Assn.—Adv.

Do Your Gums Bleed and Recede from the Teeth?

Tender, sore or bleeding gums, or gums fissured or receding from the teeth, indicate a deadly PYORRHEA—the teeth's worst enemy. The disease first attacks the gums, later the tooth structure. Arteries recede from the teeth, pus pockets are formed, in which toxic poisons develop to be absorbed by the system and become the possible sources of other dangerous diseases. Don't let Pyorrhea endanger your health. The ravages of this terrible disease can be stopped, the gums healed and the poison system has been absolutely checked, by the use of VINCENT'S PYORRHEA TREATMENT. For further particulars write, Vincent's Laboratory Sales Co., 621 Guarantee Title & Trust Bldg., Cleveland, Ohio.

At last! A safe Rat Killer K-R-O KILLS-RATS-ONLY Here is a real sensation, a sure rat exterminator—not a poison—harmless to domestic pets and man. Manufactured from aquilubus recommended by U.S. Government chemists. 10% of K-R-O sprinkled in bait kills rats and mice quickly. Poultry, dogs, cats and other domestic pets have eaten stronger doses without any injury. Farmers and merchants who watched tests were amazed at results. Money-back guarantee. Sold in 2-oz. tins; 75¢ at your druggist's. K-R-O Company, Springfield, Ohio.

ward and Marion County Court. The jury returned a verdict in favor of Mrs. Ward.

Mrs. Ward alleged that the car was damaged by the collision and that the car was damaged by the collision and that the car was damaged by the collision.

The jury returned the verdict at 5:15 p.m. after remaining in conference for an hour and a half. Judge J. W. Wright presided over the trial.

The jury was composed of William Miley, Charles O'Neil, Joseph W. Haggard, Francis M. Parvillat, David H. Haggard, R. C. Gault, James Gault, Roy A. Davis, C. M. Jolley, J. M. Morrison, E. A. Mills and Carl F. Werley.

Seek \$10,000

Asking for a judgment of \$10,000 and the foreclosing of a mortgage on 80 acres of land, the Marion Building Savings & Loan Co. today filed action in Common Pleas Court against John F. Clark, Nathan Clark, Elmer and Mabel Fuller and Joseph S. Kappert.

The loan company alleges that in 1922 Elmer and Mabel Fuller, E. C. Kappert, delivered to it a promissory note for \$10,000 and in order to secure the note, executed and delivered a mortgage on 80 acres of property in Richland Township. A short time later the loan company asserts, Fuller sold the property to Mr. and Mrs. John F. Clark, who assumed the mortgage.

Provisions of the mortgage have been broken and the Marion Building Savings & Loan Co. asks for foreclosure.

Few Complaints. Few complaints were made yesterday during the meeting of the County Board of Revision.

A great number of persons invaded the county auditor's office to look over the valuations but few complaints were registered.

The valuations will next be considered by the State Tax Commission, and when approved will be placed on the tax duplicate.

A license has also been issued to Joseph J. Vovella, 37, Newbury, N. Y., and Mrs. Della Hill, 38, of Marion, Va.

HEAD OF NEW FACTORY HERE COMPLETING PLANS

Cleveland Concern To Move To Marion About Jan. 1, Claim

J. M. Gardner, president of the Gardner Tap & Die Co., which will move its factory from Cleveland to Marion at the end of the year, today announced that the company has been negotiating with the local Chamber of Commerce, in the city for a few days making preliminary preparations for beginning operations at the Libbey plant of the bankrupt Studebaker-Walsh Co. Numerous changes and improvements are planned at the plant before the Gardner Co. takes possession it is announced.

According to present indications, removal of the factory to Marion will not take place before Jan. 1. In the meantime, Chamber of Commerce officials are conducting a survey for the best location of routing lines for the Gardner Co. employees. Considerable progress has already been made and it is thought that quarters will be arranged for all of the new residents within the next few weeks.

The company now has about 60 men employed with prospect of the force being increased after operations are started here.

127 WITNESSES TO BE CALLED IN OIL TRIALS

Defendants To Be Heard Separately in Conspiracy To Defraud U. S.

Washington, Nov. 11.—The government will carry 127 witnesses in its efforts to convict Albert B. Fall, former secretary of the interior, and Edward L. Doherty, multi-millionaire oil magnate, of conspiracy to defraud the government in the leasing of naval oil reserves, here today.

Dockets of subpoenas will be issued during the next week for witnesses in many parts of the country. Two battalions of lawyers, the prosecution and the defense, are busily engaged in the preparation of the trials which begin on Nov. 22 in the District Supreme Court. The defendants will be tried separately, as was done in the recent case of the trial of Harry M. Daugherty and Col. Thomas W. Miller in New York, who also were accused of conspiracy to defraud the government.

While the trials proceed concurrently, separate verdicts will be rendered, and the attorneys for one defendant will not necessarily be bound by actions of the attorneys for the other.

It is estimated the trials will consume six weeks at least.

Some of the subpoenas already have been issued. Among those to be called are understood to be the following:

Ex-Ambassador General Harry M. Daugherty, Senators Reed Smoot, Charles E. McNary, of Wisconsin; John W. Harrell, of Oklahoma; Thomas J. Walsh, of Montana; J. C. Ithaca, N. Y., Nov. 11.—With every man in good shape, and the variety at top form, Cornell is ready for Dartmouth. The only worry of the coaches is the Green's passing game.

Princeton, N. J., Nov. 11.—The Princeton team that tackles Yale on Saturday will be the strongest Tiger eleven assembled on the field this season, with Jack Slagle leading the attack. The varsity scored three touchdowns against an all-star team in its final hard workout.

New York, Nov. 11.—The Columbia squad today will hold its last scrimmage before the Penn game. Mike Seut, injured back, is in the shape.

Ohio State Meets Michigan 23rd Time Saturday

1926 Mythical Big Ten Championship at Stake in Homecoming Contest

Largest Crowd in History of Western Conference Football History Will Be in Ohio Stadium When Referee Blows Whistle; 80,000 Tickets Have Been Sold

COLUMBUS, Nov. 11.—Ohio State vs. Michigan for the twenty-third time, Wiley Post for the ninth time, Captain Karow vs. Captain Friedman for the fifth or sixth time. Add to the thrill the fact that the 1926 mythical Big Ten football title is at stake, that it is Ohio's annual homecoming party, that it marks the final home appearance in moleskins for more than a dozen Blue Devils, and that the largest throng in Western Conference football history will witness it and you have the thing for the Ohio State-Michigan game here Saturday.

Both eleven, Ohio State with a clean slate, and Michigan, unbeaten in the Big Ten but having bowed to Navy, were to go through their final hard drills today. The Buckeyes were to complete their preparation on their own gridiron, with only a final polishing up for tomorrow. The Michigan squad, including players, coaches, trainers and other attaches, is expected here tomorrow morning. The Wolverines, too, are slated to work out briefly in the stadium in the afternoon.

The vanguard of the Homecoming throng was beginning to arrive today. Every hotel in Columbus has stretched its facilities to the limit, and late comers were having to turn to private homes for bed and board. In anticipation of unusually heavy traffic, Columbus police asked motorists to drive more carefully than usual.

In readiness for the biggest crowd in its colorful history, the stadium with a normal capacity of 63,000 persons, has been stretched so that it is capable of holding 80,000 spectators Saturday. If need be, about 80,000 tickets have been sold, a required force of nearly 2,000 will be working to operate the plant if it is decided at the last minute to sell standing room. It will be possible to accommodate a national thousands.

Point for Game
For the first time this year the Ohio State camp will admit to putting on a game. The Ohioans have not had a game since the Chicago contest on Oct. 30, but they have been far from idle in the meantime. The varsity from combat has given the injured and the ailing a chance to recoup their force and Trainer Mike Chumbers looks for practically every man to be at his best Saturday as far as physical condition goes.

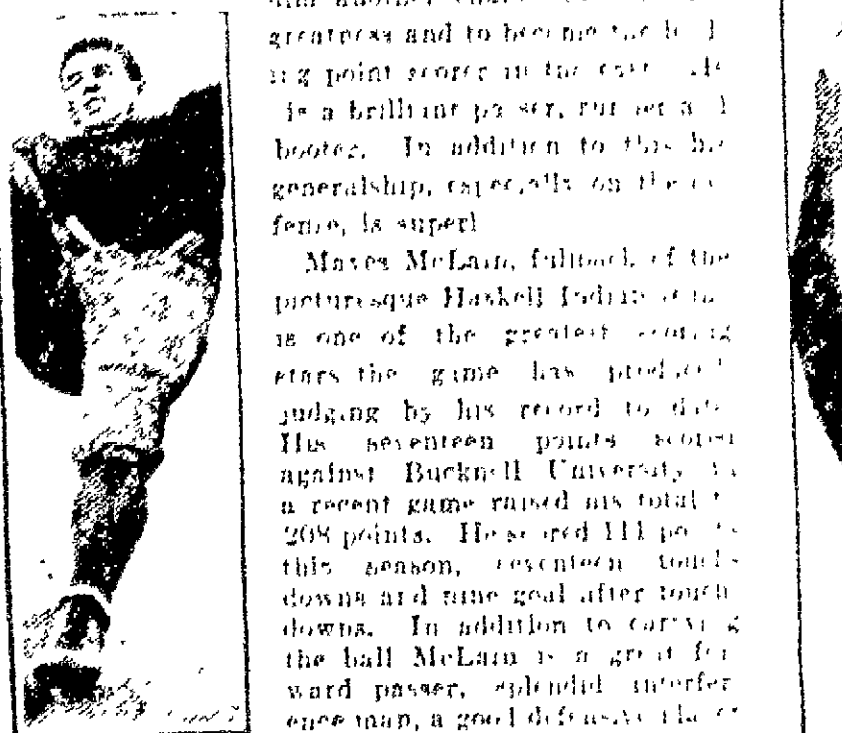

A survey of statistics on the two squads show that Michigan will outweigh the Buckeyes on both the line and in the backfield. The Ohioans will average only 175 pounds as against 185 for the invaders. The Buckeye line averages 183 pounds and the backfield 172 pounds. Michigan's line will weigh around 180 pounds and its backfield about 178 pounds per man. But that situation does not "faze" the Ohio States. They have the utmost respect for Michigan, but they are not the victims of an inferiority complex any more than they are suffering from overconfidence. They believe that they give the best they've got and get 50 per cent of the breaks they have an extra chance to win. On the other hand, they are fully aware of the fact that they will have to play smart, alert football every minute of the 60 to accomplish that end.

Four to Three
The present series between the two eleven, now stands at four games to three in favor of Michigan, not counting the "unofficial" contest of 1918 which Michigan won. Saturday's game thus will give the Buckeyes a chance to even the count, in a sense.

Color is added to the game by the fact that both captains are from their

OFFICIAL SAYS DIPHTHERIA IS UNDER CONTROL

Sanitary Inspector Says Every
Precaution Taken To Pre-
vent Epidemic

Further assurance that there is no likelihood of a spread of diphtheria in the north section of the city following death of two children from the disease, Tuesday, is contained in a statement made today by Charles M. Tolson, city sanitary inspector. Mr. Tolson says that

And What is More Appreciated I
Got Back a Ravenous Appetite After
Discovering Pape's Diapiesin

Instantly! No matter what you ate or drank, Pape's Diapiesin makes you feel safe at once. In five minutes sour risings, belching, gas pressure and all such effects of acid dyspepsia are gone—completely. Nothing else so adds to the joy of living as to regain confidence in your stomach.

The American people own the elec-
trical industry. In number of stock-
holders, in distribution of securities,
in democratic ownership, the electric
industry ranks with the highest in the
world.
"During 1923 there were 185 utility
companies that enrolled approximately
300,000 of their customers as stock-
holders."

DISCOVERS POWER OF "COSMIC RAYS"

Photo shows Dr. Robert A. Milliken of the California Institute of Tech-
nology, with his associate, G. Harvey Cameron, to his right, at the submersible
recording electronic apparatus used in Dr. Milliken's recent "cosmic ray"
researches in South America. Dr. Milliken finds that "cosmic rays,"
coming from the universe, are so powerful that it takes six feet or more of
lead or 73 feet of water to stop their penetration.
